PROFESSIONAL SUMMARY

Enthusiastic and Dedicated Front-End Web Developer willing to use acquired skills in providing solutions to web development needs. Collaborative team player with excellent speaking, technical abilities and problem-solving skills.

PROJECT EXPERIENCE

Foodtribe

- Created an eCommerce food display and order site using HTML, CSS and Javascript.

Cocktail Hub

- Designed this site which responds with beautiful, responsive API data to searches made about cocktails. Designed using HTML, CSS, and the ReactJS library.

Thrive Todo App

- Built this responsive Todo app that allows users to add, edit, or delete todos. Built using HTML, CSS, Javascript, ReactJs library and the Bootstrap framework.
